

# 1. Message / 2. Link

## How it Works

- Receive a text message alerting you that a payment is due on your account

## 3. PIN

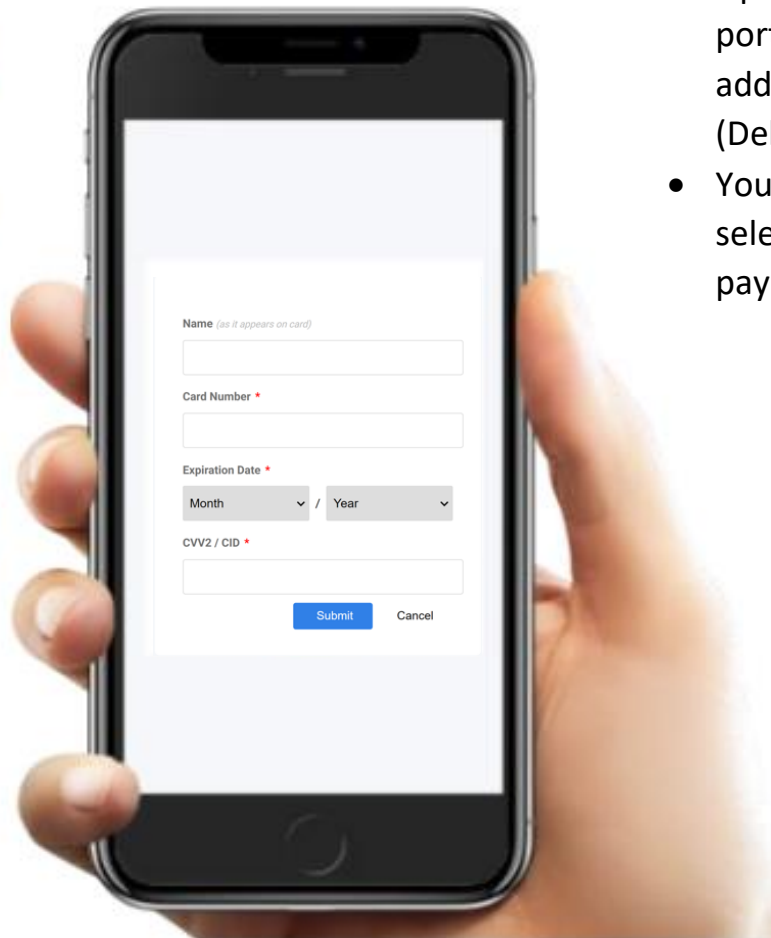

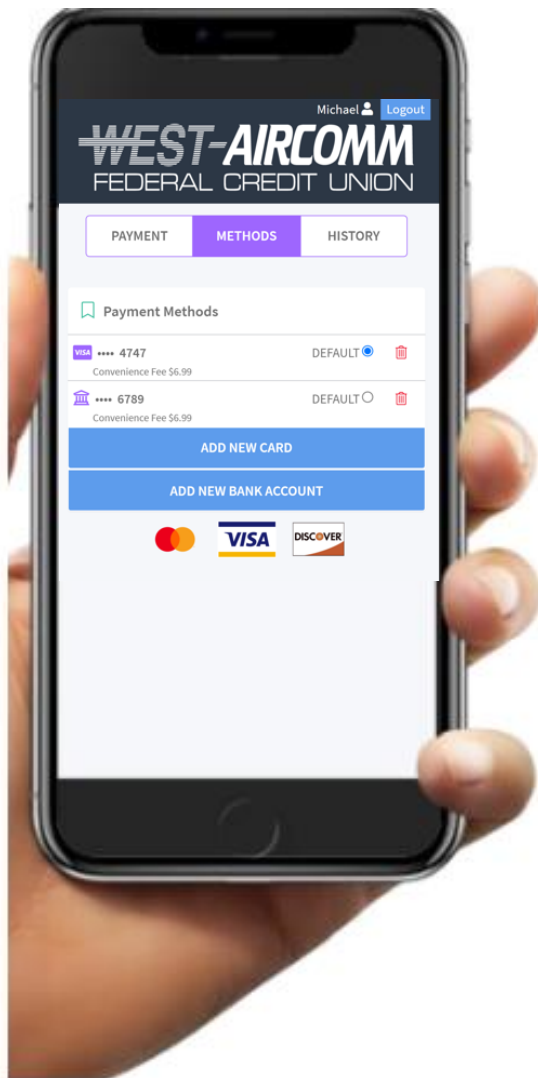

### How it Works

- After clicking the link provided in the initial message, you will be taken to the payment portal
- Here you are prompted to create a 4-digit PIN
- This PIN is subsequently used to login to the portal for all future access

## 4. Add Method

### How it Works

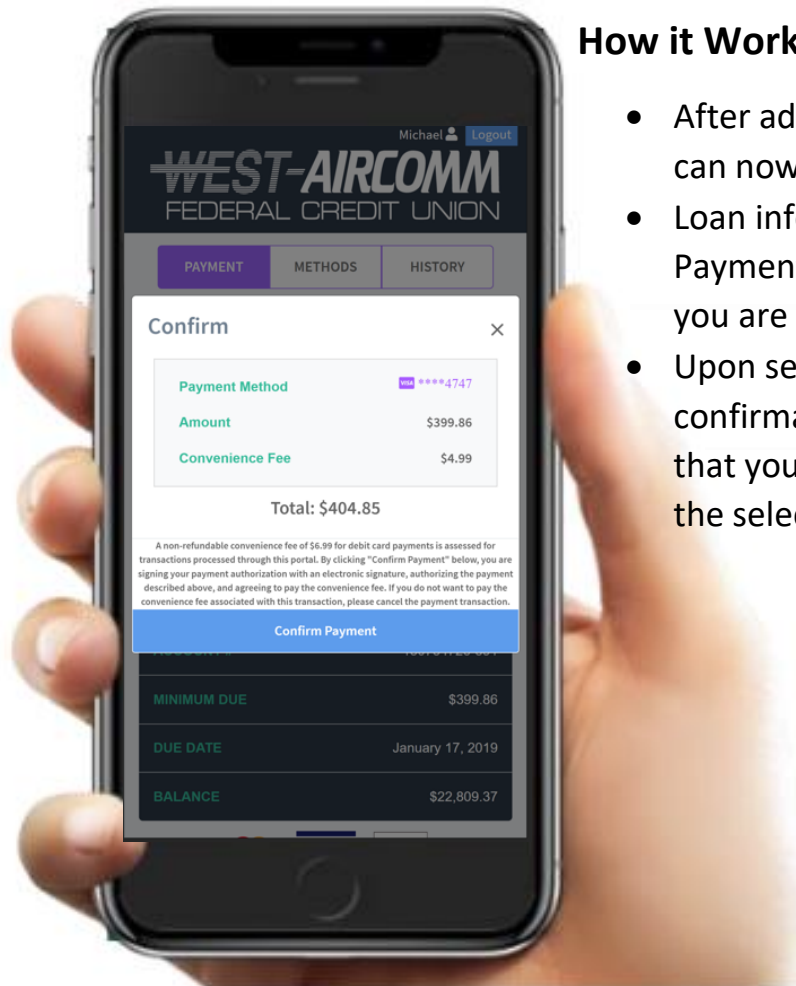

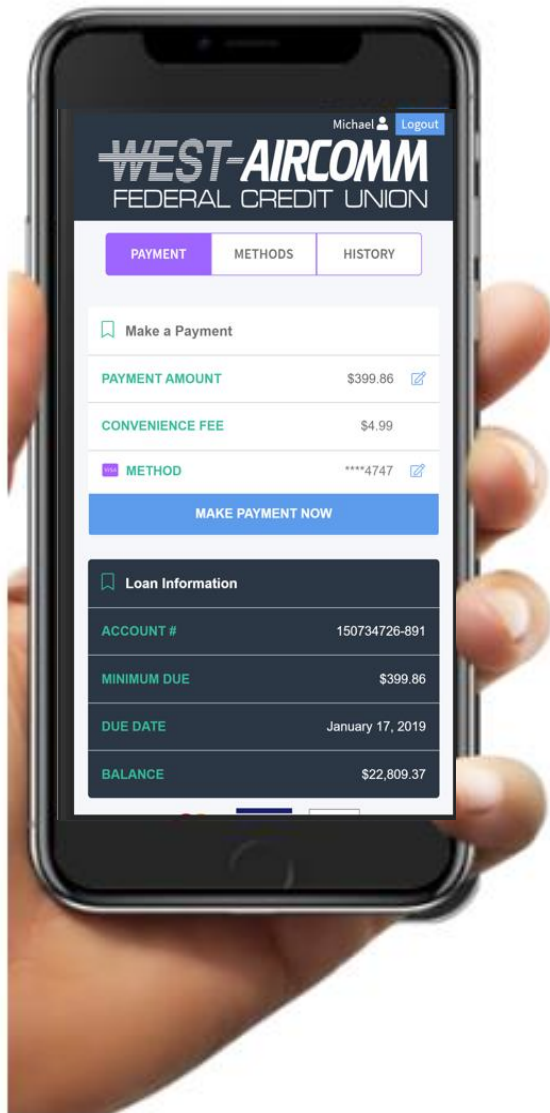

- Upon creating a PIN, you enter the portal where you will be prompted to add an external payment method (Debit or routing/account number)
- You can add multiple methods, and select which method is to be 'default' payment method

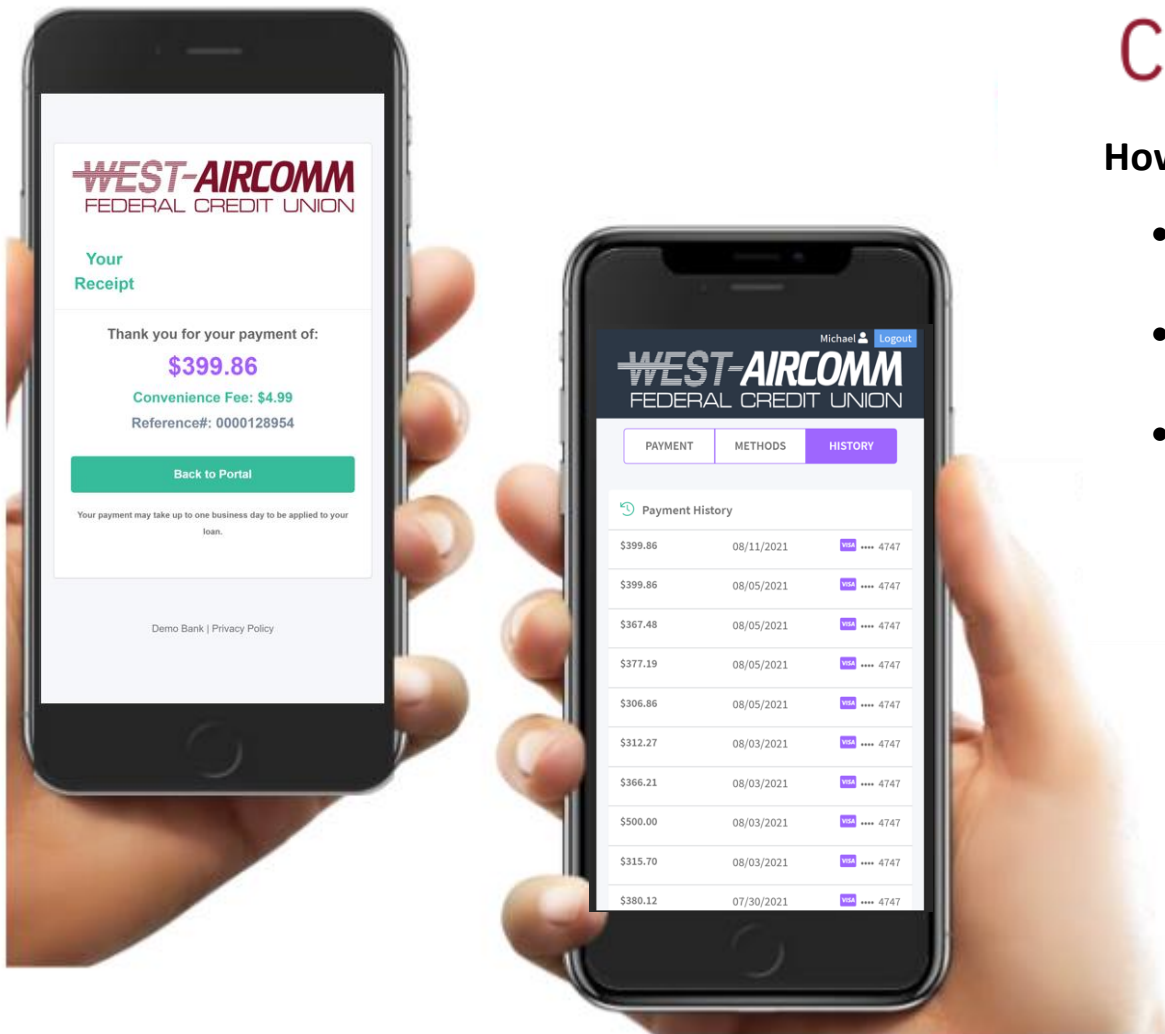

# 5. Make a Payment

## How it Works

- After adding payment method(s), you can now make a payment on your loan
- Loan information is shown on the Payment tab to let you know which loan you are paying against.
- Upon selecting “Make Payment Now”, a confirmation screen is shown to confirm that you want to make the payment with the selected method.

# Confirmation

## How it Works

- After confirming that you would like to make a payment, a confirmation screen appears.
- It includes the amount paid, and your reference number.
- If you return to the portal, you can also view your payment/deposit history for transactions that flow through WAC EZ Pay.
